

Rehydrate. Replenish. Refresh.

Minerals & electrolytes are what make chemical reactions in our cells possible. When we sweat, we lose them. This causes headaches, exhaustion, sore muscles & slow recovery.

PerfectAmino® Electrolytes is the exact blend of minerals & electrolytes to replenish these for fast recovery. It is the Perfect Hydration Formula. Amino acids are also lost in our sweat, so we've added **PerfectAmino** to replace these & assist in max electrolyte utilization.

Directions: Add 1 scoop into 8-14 oz. of cold water, mix & enjoy!
