

WHY CYTOLEAN PM™?

Supplementing your body to help burn fat doesn't have to stop when it's time to sleep. Fat burners are known to contain stimulants. This is fine during the day, but if you want to keep burning fat at night you'd have to choose between sleep and enhanced fat burning. Not anymore. With Gaspari Cytolean PM's scientifically formulated, stimulant-free, night time fat burning formula, you can help keep the fat burning furnace stoked even while you sleep!†

BURN FAT WHILE YOU SLEEP!†
STIMULANT FREE†
VEGAN FRIENDLY

SUGGESTED USE: As a dietary supplement, take 3 capsules 20 minutes before bedtime or as directed by your health care provider.
