

FIBROVERA® is a proprietary blend of blood cleansing enzymes and botanical components selected to support healthy hormones.* Certain hormonal imbalances are linked to occasional discomforts associated with the menstrual cycle. **FIBROVERA** may be taken to safely support normal hormone levels and immune function.* **FIBROVERA** also provides fibrinolytic (fibrin eating) enzymes and co-factors selected to address excess fibrin build-up; a protein that plays a significant role in our health and wellbeing.*

SUGGESTED USE: Take 1 capsule of Fibrovera with 8 oz of water on an empty stomach or as directed by your healthcare practitioner.*

WARNING: NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING.
