

**SUGGESTED USE:** For best results, place one lozenge in mouth upon waking and away from food by at least 2 hours. May also be taken on an empty stomach before or during exercise. Take as directed by your healthcare professional. Do not take within 5 hours of bedtime as it may interfere with sleep.

**CAUTIONS:** Children and pregnant or lactating women should consult their healthcare professional prior to use. Diabetics and those with metabolic disorder should not use. Discontinue use if symptoms of fatigue occur from use. Do not use if tamper seal is damaged.

**STORAGE:** Keep closed in a cool, dry place out of reach by children.

**NADH + CoQ10 supports healthy energy production.†**
