

SUGGESTED USE: Shake lightly before each use. On an empty stomach or between meals, take $\frac{3}{4}$ tsp (4 ml) by mouth. May also mix in 1 oz. of water or juice (juice may be preferred due to the potent taste of glutathione). Use as directed by your healthcare professional. Do not take within 3 hours of bedtime.

Keep out of reach of children. Intended for use by adults and children over 4 years of age.

STORAGE: Store in a cool, dry place away from direct sunlight. For maximum potency, after opening: refrigerate and use within 45 days.

Optimal Liposomal Glutathione supports healthy detoxification and immune system function.[†]
