

SUGGESTED USE: Take 1 lozenge by mouth with or without food, or use as directed by your healthcare professional. Do not take within 5 hours of bedtime as it may interfere with sleep.

Children and pregnant or lactating women should consult their healthcare professional prior to use. Do not use if tamper seal is damaged.

STORAGE: Keep closed in a cool, dry place out of reach of children.

PQQ Lozenge supports occasional muscle soreness from exercise, energy production, and healthy aging processes.[†]

DOES NOT CONTAIN: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy, gluten, GMO, artificial colors, or artificial flavors.

PQQ Lozenge Meets or Exceeds cGMP Quality Standards.

[†]This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
