Suggested Use: 2 tablets twice daily between meals.

Guggul is the most widely used of all Ayurvedic resins. Similar to myrrh, guggul is traditionally classified as being both purifying and rejuvenating. Modern research shows that it supports healthy cholesterol levels, increases fat metabolism, and promotes healthy thyroid function. Planetary Ayurvedics **GUGGUL CHOLESTEROL COMPOUND™** is unique in that it includes the legendary Triphala, the most highly revered compound in the 5,000-year old Ayurvedic tradition.*

WARNING: Do not use if you are pregnant, may become pregnant, or breastfeeding.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
