Planetary Herbals **OIL OF OREGANO** is from wildcrafted true oregano (*Origanum vulgare*), an aromatic herb that is native to the Mediterranean region. Traditionally, oregano was used to support digestive and respiratory health. *In vitro* research indicates that carvacrol, an active constituent of oil of oregano, may provide support to the immune system. Planetary Herbals Oil of Oregano is one of the most potent on the market and is standardized to 70% carvacrol.*
