Ingredients: Organic Tapioca Syrup, Organic Cane Sugar, Pectin, Natural Flavors, Citric acid, Sodium Citrate, Fruit and Vegetable Juice (color)

The purchaser of this product assumes all risks and liabilities associated with its use, purchase, and possession.

Warning and Disclaimer:

Do Not Take with SSRIs: Combining this product with Selective Serotonin Reuptake Inhibitors (SSRIs) can block its effects and may lead to serious side effects, including life-threatening serotonin syndrome (characterized by confusion, agitation, rapid heart rate, high blood pressure, dilated pupils, loss of muscle coordination, muscle rigidity, or seizures).

Most Common Side Effects: Nausea, increased heart rate, anxiety, paranoia, and dizziness.

Storage Instructions: Store in a cool, dry place away from direct sunlight.

Allergy Information: This product contains tapioca/cassava root. Avoid if you have latex or cassava allergies.

Emergency Instructions: Seek immediate medical attention or contact a Poison Control Center if severe adverse reactions occur.

This product can cause delayed intoxication effects and may result in drowsiness. Refrain from driving or operating heavy machinery after consumption. Consult a medical professional before use, especially if you have pre-existing medical conditions, are pregnant, or nursing. For Adult use only (21+). Keep out of reach of children and pets. THIS IS NOT AN FDA APPROVED PRODUCT. This product has not been evaluated by the FDA and is not intended for the diagnosis, treatment, cure, or prevention of any diseases.

MICRODOSING EXPLAINED

The frequency of microdosing can vary from person to person, and there isn't a one-size-fits-all approach. However, a common microdosing schedule involves taking 1-2 gummies every few days with intermittent rest days.
