

ProEnzol® AllerEnz™ provides a highly-effective blend of symptom-relieving herbal extracts, plus powerful systemic enzymes to support a healthy immune response to occasional airborne seasonal or environmental challenges by helping to maintain a normal production of cytokines and histamines.*

DIRECTIONS: Take one to two (1-2) capsules twice daily on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
