

ProEnzol® GasEnz™ provides a highly-effective blend of non-animal derived digestive enzymes plus gas-relieving herbal extracts to assist in breaking down difficult-to-digest plant fiber and raffinose, helping to relieve occasional gas and bloating associated with the consumption of legumes (beans), whole grains, cruciferous vegetables and other gas-forming foods*

DIRECTIONS: Take one (1) capsule at the beginning of any meal containing gas-forming foods, or as directed by your healthcare professional. More may be taken as needed to ease stomach discomfort.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
