

ProEnzol® Gastro Calm™ provides a clinically-effective blend of soothing herbal extracts to help restore and maintain healthy structure and function in the gastrointestinal tract, plus non-animal digestive enzymes to assist in releasing nutrients from food for use in promoting overall health.*

DIRECTIONS: Take one (1) capsule at the beginning of each meal, between meals as needed for discomfort, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
