

ProEnzol® Memory & Focus provides a multifaceted blend of botanical extracts, precursor amino acids and pHysioProtease® to help maintain healthy cognitive functions including recall, clarity, alertness, and concentration by promoting normal neurotransmitter levels, blood flow and cellular protection in the brain.*

DIRECTIONS: Take two (2) capsules daily in the morning on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
