

ProEnzol® Menoproze™ provides a highly-effective blend of potent herbal extracts and natural-source bioactive nutrients plus pHysioProtease® to promote a healthy balance of estrogen and progesterone activity which may help relieve the undesirable effects of perimenopause and menopause.*

DIRECTIONS: Take two (2) capsules one to two (1-2) times daily on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
