

ProEnzol® Mycozol™ provides a synergistic blend of eight therapeutic mushroom extracts including Chaga, Lion's Mane and Cordyceps, plus beta-Glucans and pHysioProtease® to help maintain a healthy immune system, response to stress and cognitive function.*

DIRECTIONS: Take one to two (1-2) capsules twice daily on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
