

ProEnzol® Neuro HPA Calm™ provides a synergistic blend of GABA, L-Theanine, relaxing herbal extracts, plus pHysioProtease® to calm occasional anxiety by helping to maintain normal inhibitory neurotransmitter and cortisol levels required to manage excess stress-induced activation of the HPA axis.*

DIRECTIONS: Take two (2) capsules one to two (1-2) times daily on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
