

ProEnzol® pHysio Plus™ provides an advanced blend of three powerful non-animal derived proteolytic enzymes, Bromelain, Serratiopeptidase and pHysioProtease®, which has clinically-proven to be highly effective in helping to manage inflammation, modulate the immune system and maintain optimal systemic health.*

DIRECTIONS: Take one (1) capsule twice daily between meals or on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
