

ProEnzol® Probiotic 5 provides a synergistic blend of 8 different probiotic strains with a long history of safe use in helping to maintain a healthy balance of microflora throughout the entire intestinal tract.*

DIRECTIONS: Take one (1) capsule one to two (1-2) times daily on an empty stomach, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place, preferably under refrigeration. Keep out of reach of children.
