

ProEnzol® Protease 375™ provides highly purified, non-animal enzymes to augment the body's own enzymes in assimilating dietary protein when taken with meals, and in maintaining healthy cytokine balance and optimal systemic health when taken between meals.*

DIRECTIONS: Take one (1) capsule at the beginning of each meal for digestive support or twice daily on an empty stomach for systemic support, or as directed by your healthcare professional.

CAUTION: If you are pregnant, nursing, have a serious medical condition, or take any medications, consult your healthcare professional before use. Use only if tamper-evident seal is unbroken. Store tightly closed in a cool, dry place. **Keep out of reach of children.**
