## WHY VITAMIN D?

With 400 IU of vitamin D, D-Rex is formulated to support:‡

- ✓ Immune Health
- ✓ Heart Health
- ✓ Bone Health
- ✓ Oral Health

## OUR PROMISE TO YOUR FAMILY

Our Dinosaurs are carefully formulated with nutrients designed to help support children in their natural development<sup>†</sup>—because serving families is what we do.

## DINO FUN FACTS

Tyrannosaurus rex is famous for being one of the largest predators to walk the earth. But while they had huge, powerful back legs, their tiny front legs were not much longer than human arms.

**WARNING:** Do not use if safety seal is broken or missing. Keep out of reach of children. Keep your licensed health care practitioner informed when using this product.

**Directions:** Take 1 chewable daily. Use only as directed. Store in a cool, dry place.
