

ESSENTIAL NUTRIENTS FOR GROWTH: Our Toddler Advanced Formula+ is specially crafted to support the healthy growth and development of children ages 1+. Packed with a powerhouse of ingredients, including Organic Milk Powder and Olive Oil, it provides the essential nutrients your child needs to reach new heights.†

BOOSTING IMMUNITY AND DIGESTION: Our formula contains a unique blend of ingredients. Inulin, sourced from chicory root, acts as a prebiotic fiber, nourishing the gut microbiota and enhancing digestive health. *Lactobacillus rhamnosus*, a probiotic strain, promotes a strong immune system.†

BUILDING STRONG BONES AND MUSCLES: We've enriched Toddler Advanced Formula+ with vital minerals like Zinc and Iron, which play a crucial role in bone and muscle development. Combined with Vitamin B1, B2, B3, and B6, our formula supports the growth of a strong and resilient skeletal system, helping your child stand tall and confident.†

NURTURING COGNITIVE DEVELOPMENT: TruHeight® understands that a growing body needs a growing mind. That's why our formula includes Choline, Inositol, and Biotin, essential nutrients that contribute to brain development. These ingredients work in harmony to support cognitive functions and unlock your toddler's full potential.†
