

BOOST BRAIN GROWTH: TruHeight® Brain Growth Gummies are specially formulated to promote optimal brain development in toddlers and kids.* With Total Omega 3s, Phospholipids, Pine Bark Extract, and DHA, these gummies provide essential nutrients that support cognitive function, memory, and learning abilities, setting a strong foundation for a bright future.*

NOURISH GROWING BODIES: Our Brain Growth Gummies contain naturally sourced ingredients to support healthy brain growth for kids. Omega-3s, phospholipids, DHA, and pine bark extract collectively promote children's brain development and cognitive function by supporting memory, learning, and overall brain health.* They provide essential nutrients, help protect against oxidative stress, and improve neural communication for better mental performance.*

DIRECTIONS: Take 2 gummies daily, preferably with a meal.
