Clinical Formulations.

WARNING: Do not use if safety seal is broken or missing. Keep out of reach of children. Keep your licensed healthcare practitioner informed when using this product, especially if pregnant or nursing.

Directions: Use only as directed. Take 1 capsule daily with food or as directed by your healthcare practitioner. Do not remove desiccant. **Keep tightly capped and refrigerated.**

MicroBiotic Lower GI is a once-daily probiotic designed to help support lower GI health, normal elimination and healthy immune function. It features 18 strains totaling 50 billion CFUs** and uses patented Enteric Shield® capsule technology to help ensure optimal viability by allowing passage through the stomach and delivery of the probiotics to the small intestine intact.
