

 NUTRA  
BIOGENESIS®

# UltraLean™ Appetite Control

**GLUTEN FREE**

**Dietary Supplement**

**120 Capsules**

Innovative Ingredients.  
Clinical Formulations.

**WARNING:** Do not use if safety seal is broken or missing. Keep out of reach of children. Keep your licensed healthcare practitioner informed when using this product. Do not use if you are pregnant or nursing or if you are taking a prescription MAO inhibitor or if you have hyperthyroidism.

**Directions:** Use only as directed. Take 4 capsules 30 minutes before meals up to twice daily or as directed by your healthcare practitioner. Keep tightly capped and store in a cool, dry place.

**UltraLean™ Appetite Control** contains nutrients, herbs, and neurotransmitter precursors that may help support healthy insulin action, glucose homeostasis, healthy body composition, and appetite control as part of a healthy diet and exercise plan recommended by your healthcare practitioner.

## Supplement Facts

**Serving Size 4 Capsules**

**Servings Per Container 30**

|                                                                                                       | Amount Per Serving | % Daily Value |
|-------------------------------------------------------------------------------------------------------|--------------------|---------------|
| Vitamin C (as ascorbic acid)                                                                          | 50 mg              | 56%           |
| Vitamin B-6 (from pyridoxal-5'-phosphate monohydrate)                                                 | 25 mg              | 1,471%        |
| Chromium (from chromium polynicotinate)                                                               | 500 mcg            | 1,429%        |
| DL-Phenylalanine                                                                                      | 1,000 mg           | *             |
| N-Acetyl-L-Tyrosine                                                                                   | 600 mg             | *             |
| Garcinia ( <i>Garcinia cambogia</i> ) (fruit extract) (50% hydroxy citric acid)                       | 400 mg             | *             |
| L-Glutamine                                                                                           | 375 mg             | *             |
| Bladderwrack ( <i>Fucus spp.</i> ) (whole)                                                            | 100 mg             | *             |
| Green Tea ( <i>Camellia sinensis</i> ) (leaf extract) (98% polyphenols by total UV @ 540nm, 50% EGCG) | 100 mg             | *             |
| L-Tryptophan                                                                                          | 75 mg              | *             |
