| Leucine (mg)       | 2,318.31                        | Valine (mg)        | 1,233.76                        |

Momentous is a performance nutrition company dedicated to creating no-compromise products that support the relentless pursuit of progress in human health and performance. Our products are designed for anyone who wants to get the most out of what they do.

Momentous Essential Protein is the highest quality whey protein on the market, period. Our grass-fed whey isolate is cold-processed to preserve native protein structures, and optimized with a clinically-proven enzyme blend to support digestion and absorption of amino acids. Mixes easily and tastes great in water, almond milk, smoothies or other recipes.

### Directions:

Mix one serving (one scoop) of Essential Protein with 12fl oz of cold water, or your preferred liquid.
