PROBIOTICS SUPPLEMENT

### 8 Clinically Studied Strains

in an Enhanced  
Probiotic System™ (EPS)

**Jarro-Dophilus® EPS** supports the health of the intestinal tract with a balanced mixture of carefully selected probiotic strains for intestinal and immune health.\* These strains have been clinically shown to have a positive influence on intestinal and/or immune health.\*

Our 8 complementary strains of probiotic bacteria are delivered via proprietary enteric coated capsules (Enteroguard™) that protect it from stomach acid and delivers the potency of friendly bacteria needed to support a healthy gut.\* **Jarro-Dophilus® EPS** is blister-packed to protect the capsules from moisture and room temperature stable so it does not require refrigeration.

### Live Probiotic Guarantee

When kept under recommended storage conditions, **Jarrow® Probiotics** are formulated to ensure CFU counts are guaranteed within **Best Used Before** date.

**STORE IN A COOL, DRY PLACE.**
