

MTS Nutrition Barracuda®, a natural testosterone and libido enhancer, is the most effectively dosed supplement of its kind. Barracuda® contains scientifically backed and proven ingredients such as the king of all testosterone boosting compounds, D-Aspartic Acid. We also packed in L-Carnitine, Macapure™, Safed Musli, Eurycoma Longifolia, and TestoSurge™ to round out this potent test-boosting formula.*

** Percent Daily Values are based on 2,000 calorie diet.

† Daily Value (DV) not established.

Other Ingredients: Natural and artificial flavors, Sucralose, Citric acid, Malic acid, Acesulfame-K, Spirulina (for color), silica.

Directions for use: Mix one scoop with 6-8 ounces of water with your first meal of the day or 30-45 minutes preworkout. Since Barracuda contains FULL DOSING, you do not need to exceed one scoop per day. Use for cycles of 4-weeks-on and 4-weeks-off.

Warning: Not for use by those with pre-existing medical conditions, taking any medications, or those under the age of 18 or over 50. Not intended for use by women. Read entire label prior to use. Not for use by individuals under the age of 18. Do not use if you are pregnant or nursing. Consult your physician prior to use if you are using any medications and/or have any medical conditions. Discontinue use and call a physician or licensed qualified health care professional immediately if adverse reactions occur. Do not exceed recommended serving. Keep out of reach of children.
