

Naturalyte™ is an all-natural electrolyte formula. It can be used during your workouts, or throughout the day with water to promote a quality electrolyte balance.*

Each delicious scoop features sodium that was exclusively derived from sea salt. Naturalyte™ also contains calcium, potassium, magnesium, and coconut water powder to ensure you are properly hydrated.*

Now you can have the perfect electrolyte balance and the bountiful health benefits of coconut water.*

Unlike other electrolyte powders that use cheap and harsh sodium sources, Naturalyte™ utilizes sea salt. When sodium is obtained by evaporating seawater, you also receive essential minerals and nutrients that are removed from table salt during the refining process.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Warning: Read entire label prior to use. Not for use by individuals under the age of 18. Do not use if you are pregnant or nursing. Consult your physician prior to use if you are using any medications and/or have any medical conditions. Discontinue use and call a physician or licensed qualified health care professional immediately if adverse reactions occur. Do not exceed recommended serving. Keep out of reach of children.
