‡**Green Tea Fat Burner™** increases your calorie burning ability in fast-acting Liquid Soft-Gels. This product has been formulated to deliver a highly concentrated form of Green Tea Extract combined with caffeine that, while not literally "melting" fat off the body, has been shown to:

- Increase calorie burning (thermogenesis)*
- Kick-start your fat burning ability (fat oxidation)*
- Supply powerful antioxidant protection*

When used in conjunction with a reduced calorie diet and exercise, this product can help you achieve your weight loss goals.*[‡]

Green Tea Extract – Traditionally used in China for thousands of years, Green Tea delivers a wide range of wellness promoting nutrients.* Green Tea Fat Burner™ delivers a standardized extract of Green Tea with superior levels of EGCG for optimum results.**

EGCG – EGCG is the most powerful and most abundant flavonoid found in Green Tea.* A body of research suggests that EGCG is responsible for the majority of health benefits that are attributed to Green Tea consumption.* When combined with caffeine, EGCG has been scientifically researched for its weight management support.* †This product delivers a full 400 mg of EGCG per maximum daily serving.

Vitality Boost – This blend of botanicals that contributes beneficial phytonutrients.*

Antioxidant Boost – This combination of nutrient-dense "super fruits" helps to protect against cell-damaging free radicals.*
