

‡ **Green Tea Fat Burner™** increases your calorie burning ability in fast-acting Liquid Soft-Gels.* This product has been formulated to deliver a highly concentrated form of Green Tea Extract combined with caffeine that, while not literally "melting" fat off the body, has been shown to:

- Increase calorie burning (thermogenesis)*
- Kick-start your fat burning ability (fat oxidation)*
- Supply powerful antioxidant protection*

When used in conjunction with a reduced calorie diet and exercise, this product can help you achieve your weight loss goals.*‡

Green Tea Extract – delivers a wide range of health-promoting nutrients, including superior levels of EGCG.*

EGCG – the most powerful and most abundant antioxidant found in tea leaves.* This product contains a full 400 mg of EGCG per maximum daily serving.

Vitality Boost – a blend of botanicals that contribute beneficial phytonutrients.*

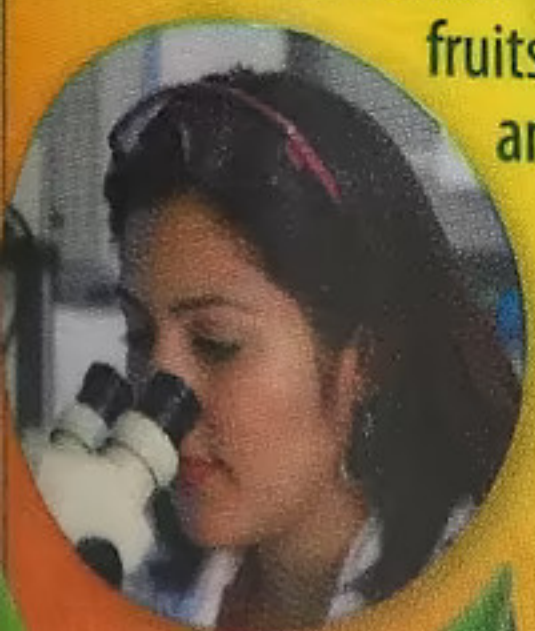

Antioxidant Boost – a combination of nutrient-dense "super fruits" that help to protect against cell-damaging free radicals.*

Green Tea Antioxidant Power

Green Tea has one of the highest antioxidant capacities found in nature.* One serving of *Green Tea Fat Burner™* has more antioxidant potential than one serving of most fruits and vegetables.* *Green Tea Fat Burner™* delivers significant antioxidant protection in addition to weight loss support.*
