‡ **Green Tea Triple Fat Burner**® increases your calorie burning ability in fast-acting Liquid Soft-Gels.* This product has been formulated to supply a highly concentrated form of tea extract combined with caffeine that, while not literally "melting" fat off the body, has been shown to:

- Increase calorie burning (thermogenesis)*
- Kick-start your fat burning ability (fat oxidation)*
- Supply powerful antioxidant protection*

When used in conjunction with a reduced calorie diet and exercise*, this product can help you achieve your weight loss goals.*

This combination of Green, White and Black tea delivers key nutritional compounds that support your weight loss efforts.* Each tea is processed in a unique and different way, resulting in a variety of phytonutrients. The combined EGCG content of tea extract along with caffeine has been researched to promote fat oxidation (fat burning).†

Green Tea Triple Fat Burner** assists your weight loss efforts with:

- **Fat Burning**†: 300 mg EGCG per serving
- **Energy Support**†: B-Vitamins
- **Antioxidant Protection**†: Vitamins C and E

Fast-Acting Liquid Soft-Gels provide an optimum delivery system for this powerful formula.* Liquid Soft-Gels release nutrients fast for optimum results.*

+This product supplies a full 600 mg EGCG per maximum daily serving.
