

Directions As a dietary supplement, mix one to two (1 to 2) packets in divided doses, for maximum benefit or as recommended by a healthcare professional. Stir briskly or shake briefly in a closed container until mixed. For optimal results, take 30-45 minutes after a meal.

If you are pregnant, planning to become pregnant, breast feeding, taking any prescription medication, and/or have a medical condition, consult your physician or healthcare professional before taking this product. Do not exceed recommended dosage. Keep out of reach of children.

Proper Care and Storage Green Vibrance contains more balanced probiotics than any other superfood. Store any opened packets of Green Vibrance in your freezer (best) or refrigerator (good).
