Toddler's Probiotic includes 6 strains of beneficial bacteria for toddlers 1-5 years old. One serving per day helps maintain healthy intestinal flora and supports the immune system.* Since probiotics are living organisms, their potency slowly decreases over time (2% per month). Keep refrigerated whenever possible and freeze to prolong shelf life.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
