Udo's Oil™ 3•6•9 Blend provides a balanced 2:1 ratio of Omega-3 (6 g) to Omega-6 (3 g) essential fatty acids per serving, for people who want one product that gives them all of the good fats they need, without any of the bad fats they should avoid. Every cell, tissue, gland, and organ is dependent upon the presence of essential fatty acids. They are the main structural component of cell membranes and are important for cell growth and division.

Udo's Oil is formulated by Udo Erasmus, PhD, an internationally acclaimed authority on the subject of essential fatty acids and author of the groundbreaking book *Fats That Heal Fats That Kill*. Udo's Oil blend is fresh-pressed in a state-of-the-art, low heat, light- and oxygen-free environment and packaged in an environmentally friendly glass bottle. Udo's Oil has a pleasant, nutty, buttery taste and can be added unheated to foods such as cereal, salad, pasta, or stir-fried vegetables, and even poured over dessert.

Formulated by: Udo Erasmus, PhD.

SUGGESTED USE: The cloudy layer in the oil is unique to this blend. To obtain its benefits, shake bottle gently before each use. Take 1 tbsp. or more a day with meals (up to 1 tbsp. per 50 lb. of body weight per day). For best results, substitute other sources of dietary fat with Udo's Oil. **FOR OPTIMUM FRESHNESS, KEEP REFRIGERATED. ONCE OPENED, USE WITHIN 2 MONTHS.** Do not heat or use for frying. Udo's Oil can be frozen to maintain freshness for longer periods.

Security sealed for your protection. Do not use if seal is missing or damaged.
