

2-IN-1 Cleanse & Flush Weight Loss Support™† is a multi-pronged formula that is designed to cleanse your digestive tract and eliminate excess matter from the body.* In just days, you can safely experience increased regularity, reduced bloating, and a flatter abdomen.*

Cleanse & Flush: This powerful formula features *Cascara Sagrada*, a valuable botanical that is traditionally used to stimulate the bowels and gently flush excess waste from the digestive tract.* We've combined this unique action with soothing Lemon Balm, as well as Marshmallow Root and Cardamom which have been used in traditional digestive formulas.* Advanced cleansing support is supplied by potent Milk Thistle Extract revered for its liver supporting benefits, and by concentrated Turmeric which exhibits powerful antioxidant activity.*

Weight Management Nutrition: Additional nutrition is delivered with 200 mcg of Chromium per day, along with Cinnamon Extract, and concentrated Gymnema Extract used traditionally to support energy balance and to eliminate excess water from the body.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Patented BioPerine® - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*
