

Active-Male Brain Awake MAX₃ + Nitric Oxide Booster
works fast to help promote focus, mental clarity and is specially formulated with a Nitric Oxide Booster to help optimize performance.*

The Nitric Oxide Boost comes in the form of L-Citrulline, an amino acid that converts to L-Arginine in the body.* L-Arginine can then be converted to Nitric Oxide.* Nitric Oxide helps blood vessels relax and dilate, allowing for increased blood flow throughout the body.*

This formula also features Ginkgo extract, one of the best botanicals for the brain.* Ginkgo extract can improve cognitive function and enhance memory in healthy individuals, as well as support overall blood flow to the brain.*

Active-Male Brain Awake MAX₃ + Nitric Oxide Booster
can be used daily or as needed to support brain health and to help optimize performance and productivity.* Delivering powerful brain-boosters and supportive ingredients that calm and nourish the central nervous system, this product helps to promote focus and mental clarity, while improving information retention and increasing feelings of energy.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. This product contains an ingredient that may affect blood sugar. Check with your doctor before using this product if you are using medication, including anti-coagulants (blood thinners), or have any medical conditions, including heart disease, and/or high blood pressure. It is recommended to limit additional caffeine intake while taking this product. Individuals with low blood pressure should not take this product. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
