

Anti-Gas Digestive Enzymes™ is a powerful blend of enzymes and botanicals that can help you break down food, absorb nutrients and reduce gas, bloating and indigestion.*

• **Comprehensive Enzyme Blend** – This formula delivers a broad range of important enzymes to support the digestion of fats, proteins, carbohydrates, sugars and fibers.* Included are Bromelain (from pineapple) and Papain (from papaya) – two unique enzymes that enhance the enzymatic breakdown of hard-to-digest foods.*

• **Powerful Food-Energy Activators** – Enzymes help convert food into energy.* By improving the breakdown of food nutrients, enzymes can actually increase the energy that you derive from food... helping to maximize cellular energy and minimize gas and bloating from incomplete digestion.*

• **Digestive Support** – As we age, our body's ability to produce adequate amounts of digestive enzymes may diminish. So even if you are eating a healthy diet, you may not be breaking down foods properly. Therefore, adding digestive enzymes to your daily regimen may be beneficial.*

This product is designed to be taken with meals. It can be used as an everyday dietary supplement or as needed to support optimal digestive health.*

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

What makes us different:

Liquid Soft-Gels – The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance – Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

2 Patented BioPerine® – Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication or have any medical conditions. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
