

Formulated to enhance your "Beauty from Within," this product provides 3 support systems to boost the health and appearance of your skin.*

SYSTEM 1: Beauty Building Blocks

Collagen Peptides - Type I, II, and III hydrolyzed collagen peptides support the regular maintenance of the skin's collagen framework.*

BIOFAC Caviar Collagen™ - delivering plumping proteoglycans and type II collagen, preliminary research suggests that daily consumption of proteoglycan can improve skin looseness, hydration, and texture.*

SYSTEM 2: Pro-Dermal Activation

ACTiValoe® Aloe Vera Extract - preliminary research demonstrates that oral consumption of Aloe Vera Gel increases endogenous production of Type I collagen in the dermal layers of the skin.*

Vitamin C, Zinc and Selenium are important cofactors in collagen biosynthetic pathways.*

SYSTEM 3: Antioxidant Protection

Astaxanthin - possesses strong antioxidant activity of up to 6,000X that of Vitamin C and may be effective at improving skin health and appearance by reducing fine lines and wrinkles and improving skin elasticity.*

Reduced L-Glutathione and Vitamin A are potent antioxidant compounds that may help to protect the health of your skin.*

Use this product daily and as directed to realize the true benefits of this powerful formula.

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.
