

Green Tea Fat Metabolizer combines a highly concentrated form of green tea extract with a powerful blend of targeted nutrients that, when used with a reduced calorie diet and exercise plan*, can help:

- **Increase Calorie Burning:** EGCG and caffeine have properties that enhance your metabolism and help burn calories.*
- **Stimulate Thermogenesis:** ‡This powerful combination of green tea extract and natural caffeine, while not actually "melting fat" off the body has been shown in human research to stimulate thermogenesis and promote fat burning (fat oxidation).*
- **Support Metabolism:** Chromium Picolinate is part of this formula and is an essential nutrient required for fat, sugar and carbohydrate metabolism.*

Green Tea Fat Metabolizer maximizes powerful thermogenic action in fast-acting Liquid Soft-Gels. For optimum results, use in conjunction with a reduced-calorie diet and exercise plan.

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.

Usage Warnings: Do not use if safety seal is broken. This product contains ingredients that may affect blood sugar, blood pressure and/or heart conditions. Check with your doctor before using this product if you are using medication or have any medical conditions, including, but not limited to an iron deficiency, a liver disorder or develop symptoms of liver trouble (such as abdominal pain, dark urine or jaundice). It is recommended to limit additional caffeine intake while taking this product. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place. **WARNING:** (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.
