Endefen® is uniquely designed to nutritionally support the healthy function of the gastrointestinal (GI) tract. This exceptional formula addresses multiple factors that contribute to GI health.*

- Supports the integrity of the gastric lining by promoting the growth of gastric mucosal cells.**
- Lecithin and astaxanthin have demonstrated protective effects on the gastric environment.**
- Green tea and arabinogalactans may help promote the growth of healthy intestinal microflora.*
- Arabinogalactans may help promote the production of beneficial short-chain fatty acids, an important fuel for intestinal cells.*
- Plantain has been shown in a lab setting to support the integrity of the gastric lining.*
- Targeted antioxidants help protect the gastric mucosa.*
- Key nutrients help to support GI immune function.*

Directions: Mix about one level tablespoon (7.5 g) in two to four ounces of juice or water once daily, or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: If pregnant or nursing, or taking medication, consult your healthcare practitioner before use.

Keep out of the reach of children.

Storage: Keep tightly closed in a cool, dry place.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
