

Zyme Prime™ supports the digestion of complex carbohydrates, triglyceride fats, starches and proteins. Includes lactase to aid those intolerant to lactose. Helps prevent occasional gas and bloating from starches in vegetables, dairy, beans and grains. Results may include more firming of stools.†

Suggested Use: One (1) capsule at the beginning of each meal. Capsules may be opened and contents mixed with food or beverage. Use care not to inhale enzyme powder. Zyme Prime may be taken with other Houston Enzymes products.

Zyme Prime was developed by
Dr. Devin Houston, PhD
Enzyme Biochemist

Do not use if tamper-proof seal is broken. Keep container closed and store at room temperature or in freezer, but do not place in refrigerator due to humid conditions.
