

Ostinol® contains Cyplexinol®, a natural growth-factor BMP-complex. BMP complexes are functionally involved in the formation of bone and cartilage tissue, however limited studies for oral administration are available but ongoing.*

SUGGESTED USE: As a supplement take one (1) to two (2) Ostinol® capsules per day.

WARNING: Consult with your healthcare provider before using this or any supplement if you are pregnant, nursing or on any medication. Do not use if inner seal is missing or broken. Store in a cool, dry place. Keep out of the reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

BONE

30 Capsules
