

Vitassium® FastChews by SaltStick® are chewable tablets that provide a convenient, delicious, and scientifically backed formulation of sodium and potassium to help maintain electrolyte levels and reduce fatigue and dizziness, when increased plasma volume has been shown to be beneficial. Ingredients are stomach-soothing and easy to absorb.

SUGGESTED USE: As a medical food, take one to two (1-2) tablets, three to four (3-4) times a day, for up to 40 tablets daily, under the guidance of a physician. To improve electrolyte absorption, let FastChews dissolve in your mouth before swallowing.

CAUTION: Consult a physician before using this product, especially if you are pregnant or nursing, a child under 18, or an individual with a known medical condition. Do not exceed the recommended dose unless advised by your physician. Individuals with hypertension, chronic renal insufficiency, or diabetes, or those on a low-potassium or low-salt diet should not use this product without physician guidance. Store dry and at room temperature.
