

Gluten Support Packets™

Five Targeted Formulas

30 packets
DIETARY SUPPLEMENT

Gluten Support Packets™

NuMedica's powerful combination of five nutritional formulas in convenient daily dose packets offers daily support for the maintenance of a healthy immune system, eicosanoid balance and gastrointestinal issues caused by gluten.* These formulas promote healthy tissue in the skin, joints, digestive system and nearly every other organ system in the body, and have been specifically designed to exclude wheat and gluten.*

Directions: Take one packet once per day or as directed by your healthcare practitioner.

Each packet contains:

2 CurcuCalm® works by inhibiting the synthesis of prostaglandins, thromboxanes and leukotrienes that adversely affect muscle, joint and connective tissue.*

1 D3-5000™ supplies vitamin D which is essential to the body's absorption of calcium and has been the subject of numerous studies for its effect on the immune system by promoting phagocytosis and immunomodulatory functions.*

1 Omega 600™ provides 600 mg of ultra-pure, molecularly distilled, natural marine lipid concentrate sourced from fish caught in cold, deep sea waters.

1 L-Glutamine is one of the most abundant amino acids in the bloodstream and is transported and metabolized in the majority of tissues. Glutamine is an important amino acid when the body is subjected to trauma and/or metabolic stress.*

1 BrocColinate® contains high amounts of the heavily studied and multi-patented ingredient sulforaphane glucosinolate[‡], found in broccoli and broccoli sprouts. Sulforaphane glucosinolate[‡] offers powerful support for total body detoxification, improved immune system response and optimal joint health.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

WARNING: Contains Ashwagandha Root. Do not use if pregnant or lactating.

Caution: Keep out of reach of children.
Storage: Keep closed in a cool, dry place.
Does Not Contain: Milk, eggs, shellfish, tree nuts, peanuts, wheat.
