

Directions: Take one capsule up to three times per day before a meal or as directed by your healthcare practitioner.

Glutenza® is a powerful formula uniquely designed with proprietary blends of enzymes, prebiotics and probiotics to break down gluten proteins by targeting both internal and external peptide bonds.* Glutenza® goes beyond the traditional dipeptidyl peptidase-4 (DPPIV) enzyme, offering superior degradation of gluten proteins by breaking down unhydrolyzed gluten peptides.*

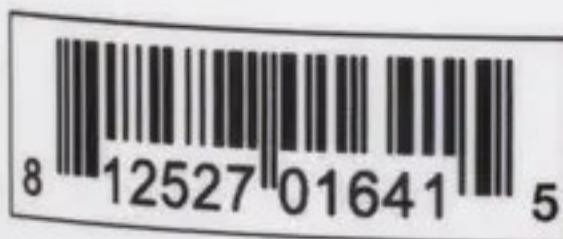

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

This product is not intended to replace a gluten-free diet and is not suitable to treat or prevent celiac disease.

Storage: Store refrigerated.

This Formula Meets or Exceeds cGMP Quality Standards.
