Directions: Take one capsule once per day or as directed by your healthcare practitioner.

HemePlex Fe® is an advanced iron formula supplying key nutrients to assist the body's production of hemoglobin and healthy red blood cells.* It features Ferrochel, Albion's patented iron bisglycinate chelate. Ferrochel is a well-tolerated, non-constipating iron that is much more highly absorbable than other forms of iron commonly used in dietary supplements.* The folate in this formula is 5-MTHF, the most biologically active form of folate, allowing rapid uptake into the bloodstream.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Storage: Keep tightly closed in a cool, dry place.

Does Not Contain: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.
