

Directions: Mix one scoop (11.8 grams) in chilled water or other beverage once per day or as directed by your healthcare practitioner.

ImmunoG PRP™ – Natural bovine colostrum collected within 24 hours after birthing. This formula is a whole food providing IgG and colostrum polypeptides, including essential PRPs.* It also supplies protein, immune factors, growth factors, vitamins and minerals to ensure health and vitality naturally.* Numerous scientific studies have shown that colostrum supports the human immune and cytokine systems.* Bovine colostrum is richer in immune factors than human colostrum and is biologically transferable to humans.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Do not use if you are pregnant or if you have received an organ transplant. Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place.

Contents sold by weight, not volume. Some settling may occur during shipping and handling. The amount of product contained in 1 scoop may be above or below 11.8 grams due to variations in handling and product density.

Does Not Contain: Eggs, fish, shellfish, tree nuts, peanuts, wheat, soy, artificial colors, sweeteners or preservatives.
