

Directions: Take four capsules once per day or as directed by your healthcare practitioner.

Joint Replete® is a comprehensive joint and soft tissue support formula featuring ETArrol™ – the highest quality, whole green-lipped mussel extract from New Zealand.* It also contains glucosamine, chondroitin sulfate and MSM, as well as manganese, which aids in the growth and development of normal bone and in the formation of mucopolysaccharides.* Additionally, this formula contains hyaluronic acid, a powerful antioxidant which promotes resiliency and protects against repetitive wear and tear.* The whole green-lipped mussel extract contains naturally occurring oils and glycosaminoglycans, the principal component of cartilage and synovial fluid found in the joints.* ETArrol™ is a premium quality whole green-lipped mussel extract produced by proprietary cold processing and should not be confused with inferior, oil-based lipid extracts commonly used in joint health dietary supplements.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Keep out of reach of children. Persons with a known allergy to shellfish should not use this product.

Storage: Keep tightly closed in a cool, dry place.

This Formula Meets or Exceeds cGMP Quality Standards.

Does Not Contain: Milk, eggs, fish, tree nuts, peanuts, wheat.
