

Directions: Mix 1 scoop (6.95 g) into 12 oz of water or juice. Increase or decrease water to taste. Take once per day or as directed by your healthcare practitioner.

NOVA Complete™ is designed to increase nitric oxide production in the body.* Instead of relying on L-arginine like most formulas, it features a superior combination of L-citrulline, select botanicals, and key vitamins and minerals to boost nitric oxide, relax blood vessels, and enhance circulation in men and women over 40.*

Key Benefits:

- L-Citrulline, a better way to increase systemic arginine*
- Convenient powder form allows for higher dosing
- Natural black cherry flavor

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
