

Directions: Take one softgel 1-3 times per day or as directed by your healthcare practitioner.

Omega 600 provides 600 mg of ultra-pure, molecularly distilled, natural marine lipid concentrate sourced from fish caught in cold, deep sea waters.

This formula is molecularly distilled and is independently verified to ensure potency and purity according to the highest worldwide standards. The purity assay process includes testing for PCBs, heavy metals and pesticides. Also, to assure maximum freshness, the oil is stabilized with d-alpha tocopherols. EPA and DHA from fish oil promote cardiovascular health by supporting optimal triglyceride and cholesterol levels and reducing platelet aggregation.* Fish oil has also been shown to promote optimal joint function and overall brain and nervous system function.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

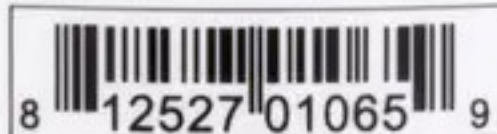

Caution: Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place.

This Formula Meets or Exceeds cGMP Quality Standards.

Does Not Contain: Milk, eggs, shellfish, tree nuts, peanuts, wheat, artificial colors, sweeteners or preservatives.

Sourced from non-GMO ingredients.
